

Newsletter June 2008

Dear Friends,

Kandi and I will be working under the banner, Southeast Caribe Missions, and will be training Foreign Nationals to plant churches in areas of the world that are considered un-reached and un-churched. These Church Planters will be planting communities of Hope. You can take part in planting hope in people's lives and become a champion for this cause!

At Southeast Caribe Missions, we build long-lasting relationships and plant seeds of God's hope through our core evangelistic ministries, which include planting churches, equipping leaders with the knowledge of God's word, showing compassion and praying for God to allow these seeds of hope to flourish.

What is needed for this to happen is:

Planters = Missionaries and workers.

Seeds = God's Message of Hope.

Soil = Lost Hearts.

Sun Light= God's Truth and presence.

Water = Your Prayers, support and encouragement.

This vital work is only possible with your help! Together we can plant communities of hope! Join us in planting God's hope inside the hearts of the poor, lost and hopeless of the Southeast Caribbean. Remember that your prayers and support help bring communities of hope to realization.

Consider helping support the planting of God's seed in the people of the Caribbean. Your monthly contribution or special gift will help plant hope where the soil is poor and water scarce.

Thank you for partnering with us in planting communities of Hope. Your prayers and support will enable the lost to hear the wonderful message of Christ's Love.

"May the God of Hope fill you with all joy and peace." Romans 15:13.

You can contact us either by e-mail: secaribemission@sbcglobal.net or at 417-312-0104.

"For we are God's workmanship, created in Christ to do good works, which God prepared in advance for us to do." Ephesians 2:10

Blessings in Christ,

Orvel & Kandi
